

Ocean Sciences Meeting 2014

COSEE – Sessions to Attend

SUNDAY, FEBRUARY 23

Professional Development Workshop for Early Career Scientists

Location: 318AB

8:00 – 17:00

2YC Oceanography Teaching Resources and Practices

Location: 316C

9:00 – 16:30

Monday, February 24

132 Undergraduate Ocean Science Education In the 21st Century: An Exploration of Successful Practices

Location: 304 AB

8:00 – 12:30

Lunch Program: Gears: Deconstruct - Deconstructing your Research and Share your Pathway to Science

Location: 318AB

12:30 – 13:45

097 Breaking Boundaries: The Role of Science Communication and Outreach in Promoting Healthy Oceans

Location: 318B *Not a COSEE-sponsored session, however several COSEE member presentations

14:00 – 16:00

Posters: Kamehameha Hall Iii

105 Real-Time Data, Technology, and Engineering For Ocean Science Education And Outreach

132 Undergraduate Ocean Science Education in the 21st Century: An Exploration of Successful Practices

Tuesday, February 25

096 Ocean and Climate Change Science: Engaging Scientists in Educating the Public

Location: 318 AB

08:00 – 10:00

Lunch Program: GEARS: Deconstructing – Telling Stories about your Science

Location: 318AB

12:30 – 13:45

Posters: Kamehameha Hall Iii

096 Ocean and Climate Change Science: Engaging Scientists in Educating the Public

097 Breaking Boundaries: The Role of Science Communication and Outreach in Promoting Healthy Oceans

* 16:00 Oceans 180 winner announced at the COSEE booth

Wednesday, February 26

066 Collaborations and Partnerships in Ocean Research and Education

Location: 318 AB

8:00 – 12:30

Lunch Program: GEARS: Learn – What’s the relationship between understanding the science of climate change and making conservation-based decisions?

Location: 319AB

12:30 – 13:45

Lunch Program: Positive Factors that Impact Success in STEM

Location: 313C

12:45 – 13:45

016 Using Evaluation in Ocean Sciences Education and Workforce Development: What Does the Evidence Show?

Location: 318 AB

14:00 – 16:00

Posters: Kamehameha Hall Iii

016 Using Evaluation in Ocean Sciences Education and Workforce Development: What Does the Evidence Show?

066 Collaborations and Partnerships in Ocean Research and Education

THURSDAY, FEBRUARY 27

Lunch Program: GEARS: Build and Broaden – The Broader Impact Wizard: Step-by-step instructions on how to write Criterion II

Location: 318AB

12:30 – 13:45

Town Hall: The Future of Ocean Science Education hosted by COSEE

Location: Convention Center

18:30 – 20:30

Traditional Ecological Knowledge in Marine Resource Management: A Hawaiian Islands Science Café

Location: 313A

18:30 – 20:30
