

COSEE-Ocean Learning Communities and Washington Sea Grant  
Invite You to Join Us

For A Free Workshop On  
Communicating Ocean and Marine Science

**Saturday November 22<sup>nd</sup> 2008**

**9:00am - 4:30pm**

**Husky Union Building, University of Washington Seattle campus**

**Continental Breakfast and Lunch Will Be Provided**

**The day will include:**

**A keynote speaker on communicating science with various audiences**

**Conversations with scientists on communicating research findings with the public**

**Presentations by marine scientists on existing ocean and marine research including:**

- Ⓞ Sea gliders as an ocean sampling tool
- Ⓞ Larval sand dollar movement in relationship to shape and flow
- Ⓞ Marine mammals
- Ⓞ Spices in the Puget Sound

**A poster session including topics on:**

- Ⓞ Environmental variables on swimming behavior of invertebrate larvae
- Ⓞ Dead zones on the Washington Pacific Coast
- Ⓞ Ammonia oxidizing microbes in Hood Canal
- Ⓞ The Ocean Inquiry Project
- Ⓞ Abalone restoration

**A special feature:**

- Ⓞ Training for all attendees to collect and contribute data to the "Spices in Puget Sound" research and take home your own "spice sampling kit"

**You can pre-register online now at :**

**<https://www.surveymonkey.com/s.aspx?sm=pGdAn6EF3z0CLQjXPGdP1w3d3d>**

**Online registration will close on Tuesday November 18<sup>th</sup>. Before the event, you will receive a reservation confirmation via email with directions, parking and other event details. For those traveling a distance of 50 miles or greater, or who travel by ferry, we can provide one night's lodging and mileage reimbursement. Resources are limited so please call or email Susan by November 12<sup>th</sup> if you are interested in this option.**
