

# EDUCATOR DAY

Monday, June 3, 2013

## International Association of Great Lakes Research (IAGLR) Conference Purdue University-West Lafayette, Indiana

*Bring real-world  
science back to  
your classroom!*

### Participate in the second biennial Educator Day at this prestigious international conference.

- ✓ Learn about scientific research going on in our Great Lakes and large lakes of the world.
- ✓ Converse with researchers and exchange ideas with other middle and high school teachers.
- ✓ Excite your students using Great Lakes science.

### Opportunities for Educator-Scientist Dialogue: Lunch Roundtable and Evening Poster Session

- ✓ Explore an array of research and converse with the scientists.
- ✓ Exchange ideas with other teachers to integrate science into the classroom.

### Interesting Presentation Topics

- ✓ Large-Scale Ecosystem Restoration
- ✓ Aquatic Invasive Species
- ✓ Climate Change
- ✓ Fish and Fisheries
- ✓ Food Webs and Ecosystems
- ✓ Contaminants and Areas of Concern

### Teacher Incentives\*

- ✓ Complimentary two-day conference registration (June 3-4)
- ✓ Lunch and dinner provided
- ✓ Free night's lodging
- ✓ Stipend—Will cover some travel expenses and, if needed, cost for a substitute teacher

*\*Limited Funding: early application will receive top priority.*

### To Apply

Please visit the IAGLR Conference website and click on Educator Day [www.iaglr.org/iaglr2013](http://www.iaglr.org/iaglr2013). This will link you to the Center for Great Lakes Literacy's IAGLR Educator Day application form. Deadline: April 5, 2013

### Questions

Contact Robin Goettel, Illinois-Indiana Sea Grant Program and Center for Great Lakes Literacy.  
goettel@illinois.edu; 217-333-9448

Funding for this professional development opportunity is provided by a US EPA-GLNPO Great Lakes Restoration Initiative grant. It is offered by the Center for Great Lakes Literacy (formerly COSEE Great Lakes), administered by the Great Lakes Sea Grant Network.
