The Return of El Nino

Students will track over time some of the common climate changes caused by El Niño, paying close attention to wintertime changes.

<http://www.vims.edu/bridge/archive1002.html>

Hold the Anchovies (collaboration with Monterey Bay Aquarium Research Institute)

Use Microsoft Excel to graph Pacific atmospheric and fisheries data over time and look for evidence of the PDO and its connection to fish abundance.

Makes reference to “From Anchovies to Sardines...” article by Chavez et al. listed above
